

Come share your ideas for the NE 130th & 145th Station Area

NE 130th & 145th Station Area Planning is an opportunity for the community to **create a vision** for the area surrounding future light rail stations.

- Meet City of Seattle staff to learn more about this Station Area Planning project.
- View maps and data about your neighborhood.
- Tell us how you want to walk or bike to future light rail stations.
- Think about what changes this investment could bring.
